

Knights of St. Columba - Nativity Scene Painting Competition

Each year the KSC hold a Nationwide painting competition with the Nativity as its central theme. The local Council of the KSC invites Catholic schools to participate in one or both of the age groups.

Presentations of a Certificate and Book Vouchers are made to the best entries in the respective groups, and these then go forward to two further rounds – with the prospect of further prizes, including one for the school they represent.

Judging can be difficult, although we do require that the baby Jesus is present ! - Here are the successful entries which were submitted in Dec 2008 – we hope you enjoy them as much as we do.
